CLIENT TESTIMONIAL

Yuvraj P.
Haldwani, Nainital

What a team. got their contact through someone but we were in a doubt. but no words to define the splendid work done. now our places gives an airy and spacious feature.

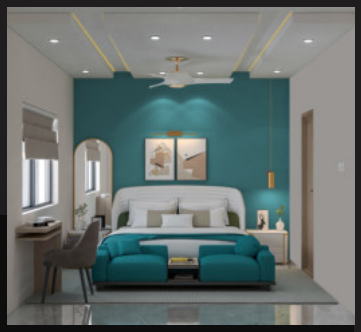

Rahul A.
Haldwani, Nainital

PINAK Architect turned our vision into reality with a beautifully designed and well-constructed home in Haldwani. Great team and flawless execution

Riya P.
Haldwani, Nainital

Great service provided by the company. Very creatively everything was designed and the team made sure to look after even the small to small details while functioning.

Sangam S.
Haldwani, Nainital

What a team. got their contact through someone but we were in a doubt. but no words to define the splendid work done. now our places gives an airy and spacious feature.

Ankit T.
Haldwani, Nainital

Professional, creative, and efficient — PINAK Architect delivered a modern commercial building on time and beyond expectations.

Dev G.
Haldwani, Nainital

Our old building got a stunning makeover thanks to PINAK Architect. The new design feels fresh yet perfectly blended with the original structure

MOST ASKED QUESTIONS

1. What Are Your Areas Of Expertise?

We specialize in architecture (custom home designs, renovations, and additions), project management (timelines, budgets, contractor coordination), and interior design (space planning, materials, and aesthetics).

2. Do You Work With Contractors And Builders?

Yes, we collaborate with a trusted network of professionals to ensure smooth communication, high quality, and timely delivery.

3. How Is Your Pricing Structured?

Our pricing depends on the project's scope and complexity. We offer fixed or hourly rates and provide detailed estimates during the consultation.

4. Do You Offer Interior Design Services?

Yes! We handle everything from layout planning to selecting furniture and finishes that reflect your vision.

5. What Makes Your Firm Different From Others?

We offer a personalized approach, focus on sustainable design, and provide complete end-to-end services from concept to completion.

MOST ASKED QUESTIONS

6. Can I Request Changes After The Design Is Finalized?

Yes, we allow limited revisions during the design phase. Additional changes after finalization may include extra charges.

7. What Is Your Design Process Like?

It includes initial consultation, concept development, design finalization, documentation, and project implementation.

8. What Should I Bring To The First Consultation?

Bring any ideas or inspiration (photos, Pinterest boards, etc.), your estimated budget, and clear project goals.

9. Do You Provide Services After Construction Is Completed?

Yes, we offer post-construction support like follow-up consultations, warranty help, and maintenance recommendations.

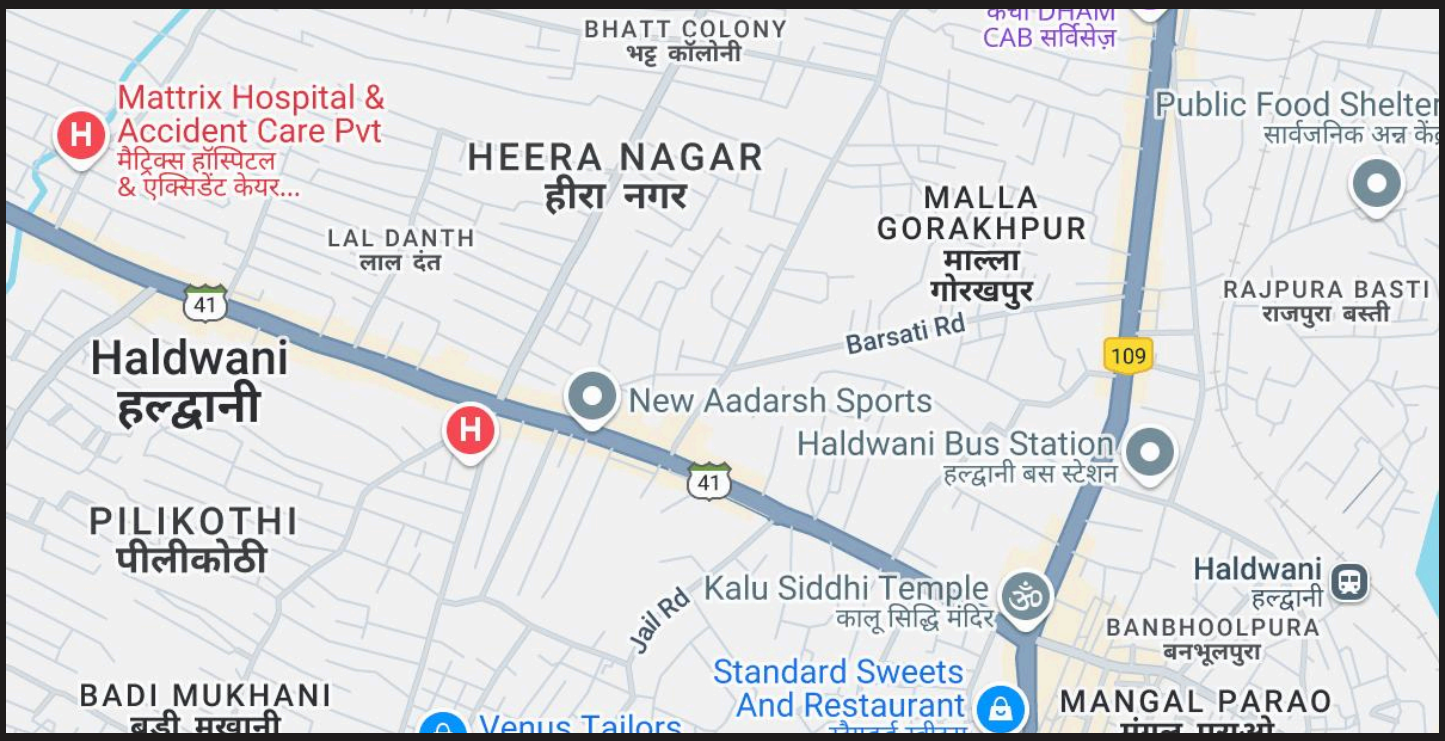

10. How Do I Get Started With My Project?

You can call us or visit our website to schedule your initial consultation—we'll guide you through everything from there.
